

## Second Annual SCAA Kids Art Contest 2008 Entry Form and Copyright Release Form

Kids, do you love animals and art? **Submit your best artwork of Dogs and Cats** for a chance to win prizes and support Second Chance Animal Aid, an organization that rescues abandoned and homeless animals in Shanghai!

In addition to the helping animals, finalists will have their artwork displayed at supporting restaurants and schools throughout Shanghai. All artwork will be shown on the SCAA Website for online voting! Winners' artwork can also be printed on SCAA T-shirts, calendars, mugs, and lots of other cool SCAA gear! In addition, we will present prizes to all the winners and will be making more animal art before Adoption Day on May 25, from 10:00 to 12:00. For more details, see the SCAA website: [www.scaashanghai.org](http://www.scaashanghai.org).

**All entries must be received by April 25th, 2008.** Submit your original artwork to us at any SCAA event such as Adoption Days or Monthly Meetings (see the Events Calendar on our website). Open to contestants 18 and under. Artwork may be created using any medium, but must fit on **quality A4 paper**. All artwork submitted becomes property of SCAA. Artwork must be the original creation of the entrant. Artists' personal information will only be used to contact the winners and identify winners' work.

## Every animal needs:

1. Freedom from hunger and thirst- by providing fresh water and the right amount of food to keep them fit
  2. Freedom from discomfort - by making sure that animals have the right kind of environment including shelter and somewhere comfortable to rest
  3. Freedom from pain, injury and disease - by preventing them from getting ill and by making sure animals are diagnosed and treated rapidly if they do.
  4. Freedom to behave normally - by making sure animals have enough space, proper facilities and the company of other animals of their own kind.
  5. Freedom from fear and distress - by making sure their conditions and treatment avoid mental suffering.

## Did you know??

The ancestor of all domestic cats is the African Wild Cat which still exists today.

Mother cats teach their kittens to use the litter box.

Cats can't taste sweets.

Chocolate and onions are toxic to dogs and can be deadly if fed in large amounts!

A large majority of white cats with blue eyes are deaf. White cats with only one blue eye are deaf only in the ear closest to the blue eye. White cats with orange eyes do not have this disability.

Spaying or neutering a dog or cat extends its life span by two or three years.

Ten human years translate to about 56 cat or dog years. A one year old cat or dog is similar in age to an 15 year old human!

95% of cat owners admit they talk to their cats.

Dogs cool themselves through their tongues, and sweat only through their nose and footpads.

**Cats and dogs can live to  
15 to 20 years!**

What do you get when you cross a sheep dog with a rose?  
a collie flower!

What happened when a cat ate a ball of wool?  
She had mittens!
